<b>11. TOTAL LOANS DURING REPORTING PERIOD</b>			\$ 0.00

### **IMPORTANT**

The limits on campaign contributions do not apply to a candidate's own contribution from personal funds or to personal loans made by financial institutions to the candidate and applied to his campaign. Any personal loan made by a financial institution to a candidate and applied to his campaign shall be reported in Section 10 and included in the amount of total contributions reported on line 17.

If a candidate desires to use or raise campaign funds to repay himself for personal funds that he contributed to the campaign, then he would need to report those personal funds as a loan in Section 10. Such personal funds would be included in the amount of total contributions reported on line 17.

If a candidate does not desire to use or raise campaign funds to repay himself for personal funds that he contributed to the campaign, then those personal funds would not be reported in Section 10. Instead, they would be reported as a campaign contribution either in Section 14 or on line 16, depending upon the amount.

The value of an in-kind contribution is the difference between the fair market value and the amount charged. In-kind contributions are addressed in greater detail in Sections 205 and 206 of the Commission’s Rules on Campaign Finance & Disclosure.

The law provides for a maximum penalty of \$1,000 per violation and/or imprisonment for not more than one year for any person who knowingly or willfully fails to comply with the provisions of A.C.A. § 7-6-201 through § 7-6-226.
